on.

IV. Dialogue ダイアログ

Practice all the sentences with your teacher.

以下の文章を講師と練習してください。

Staff : Good day. We are going to have a **blood sample** taken today.

Patient : OK. How much blood are you going to take?

Staff : Just two **tubes**. Please lie on your back and **roll up** your right sleeve.
OK, could you make a fist, please?

Patient : All right.

Staff : Great! Now relax, I'll put the needle in now. You might feel a little **prick**.
Thank you. We are done. I'll put a **band-aid** on. How are you feeling?

Patient : I'm alright, thank you.
