Staff	:	Can I have your prescription , please?
Patient	:	Sure, here you are.
Staff	:	OK, just a moment, please. Here is your medicine . There are painkillers and cold plasters.
Patient	:	Do I have to take painkillers every day?
Staff	:	Take one with water when you are in pain. Please try not to take them on an empty stomach .
Patient	:	How should I apply the cold plasters ?
Staff	:	The plasters last only 12 hours, so please change them twice a day. After removing one, wait about an hour before you put a new one on.
Patient	:	I see. Thank you.
Staff	:	Take care.
