A strong earthquake has just occurred. However, we are safe in this building. The shaking may start again and happen a number of times. When that happens, hold on to something secure and stay away from windows, TV's and furniture. The staff will soon come to check your room.

Staff: Elly, are you all right? Do you have any injuries?

Elly: No, I don't have any injuries, but I feel sick because of the shaking.

Elly: I see. Thank you.
