# Chapter 7-1 診察/腕を骨折した患者の再診

Please put your arm on the table.

腕をこの台の上に置いてください。

I.　WARM-UP QUESTIONS　ウォームアップ

1. Have you ever broken an arm or a leg? (How did it happen?)
2. Have you ever cut or burn yourself in the kitchen?
3. What other kinds of injuries can occur at home?
4. How can we prevent injuries at home?

II.　VOCABULARY PREVIEW　ボキャブラリー

- **not (too) bad**
- **painkiller(s)**
- **to ease the pain**
- **bandage**
- **cast**

III. DIALOGUE READING　シチュエーション学習

Nurse	:	Ms. Jennifer Harrison, please come in. Hello. How have you been?
Patient	:	**Not too bad**, but the pain has stopped me sleeping a few times recently.
Nurse	:	You're taking **painkillers**, aren't you?
Patient	:	Yes, I take one tablet only when I am in pain. They work well and help to **ease the pain**.
Nurse	:	I see. Please put your arm on the table so I can take the **bandage** and **cast** off.
Patient	:	OK.
Nurse	:	I'll call the doctor now. Please wait a moment.
