III. DIALOGUE READING シチュエーション学習

Staff : I am going to take an X-ray of your chest. Please change into this gown and take off your watch and any jewelry.
Also, if there is any metal in your bra, **take it off** as well.
I'll get you to stand on the **step** with your chest against this **panel** and place your chin on the chin-rest. OK.
Now, grasp both handles and follow the audio guidance.

Patient : All right.

Staff : Now, **hold** that position and try not to move.
Take a deep breath, and hold it, please.

OK, that's it. You can relax now.
Please put your clothes back on.

Patient : Thank you. What should I do next?

Staff : You need to see a doctor in the **internal medicine**.
Have a seat outside until your X-ray is ready.
Then you need to take it and give it to the doctor.
