Nurse : Please take this prescription to the pharmacy. There is one next to the hospital, but you can go to any pharmacy near your house.

Patient : OK. Thank you.

.....At a pharmacy.....

Pharmacist : Can I have your **prescription**, please?

Patient : Sure, here you are.

Pharmacist : OK, just a moment, please.  
Mr. Gonzales, here is your medicine.  
There are **painkillers** and cold **plasters**.

Patient : Do I have to take the painkillers every day?

Pharmacist : Take one with water when you are in pain.  
Please try not to take them on an empty stomach.

Patient : How should I apply the cold plasters?

Pharmacist : The plasters last only 12 hours, so please change them twice a day. After removing one, wait about an hour before you put a new one. If you find your skin rough, stop using the plasters and wait until the **inflammation** has **eased** before using them again.
